## 1969 REPORT OF WEBSTER LIBRARY

The library continued to fill a definite need in our community. An average of 25 persons per week have patronized the library during 1969, borrowing an average of 57 books per week. On several recent occasions, over one hundred books were loaned in a single day. Grades one through four at the Webster Central School continue to take advantage of our service on Wednesday afternoons.

With the aid of the State Grant designated for this purpose, we have added more reference books to our gradually increasing supply. We now have a fairly complete collection of Field Guides for student reference.

## FIRE CHIEF'S REPORT

This year has been another year to be proud to report, as far as fires are concerned. I think the fire department has been called out four times, two brush fires, and one house fire at West Wind Village and one for smoke at the Burn's house, by the Bridge house.

We have been very successful with our once-a-month club. With this money we have bought a smoke ejector that cost two hundred and thirty-five dollars. Through the efforts of Bob Coleman we got this smoke ejector at a bargain.

I hope the coming year will be as good as the past and our turnout at the monthly meetings will be as good.

Sincerely,  
KENNETH F. HOAR  
Chief of the Hy-Mar Fire Dept.

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

### Fire Permit

A *fire permit* is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to *prior to 9:00 a. m. and after 5:00 p. m.*

### Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

### Penalties

Kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.

2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.

Failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.

Leaving inflammable material in or near woodland maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

## SYNOPSIS OF NEW HAMPSHIRE FOREST FIRE LAWS AND REGULATIONS

### Fire Permit

A *fire permit* is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This means household waste burning, even if in a barrel, grass burning, garden trash as well as brush burning in clearing operations. Such burning is restricted by regulation to be *prior to 9:00 a. m. and after 5:00 p. m.*

### Exceptions

*Commercial or industrial* burning is allowed during the day with permission of the district chief and a permit from the fire warden.

Household waste burning, with a permit, is allowed on *rainy days* between 9:00 a. m. and 5:00 p. m.

Camp or cooking fires are allowed on your own property on notification to the warden. On another's property with written permission and notification of the warden. The warden can forbid such fires if intended in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the ranger stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

### Escaped Fires

If a fire escapes from your control, whether or not you have a permit, you are liable for the costs for control and extinguishment. If you start a fire illegally there is the additional chance of a fine. The landowner may also recover his loss or damages from the fire.

It is unlawful to drop or throw burning material in wooded areas.

Anyone seeing an uncontrolled and unattended forest fire is bound by statute to report it.

### Penalties

1. Kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. Failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. Dropping inflammable material in or near woodland maximum fine of \$25.00. \$25.00.
5. For smoking or kindling a fire in woodlands when a ban on the same has been proclaimed a maximum fine of \$25.00.

## POLICE REPORT

This year, along with towns throughout the State, radio equipment was purchased tying the towns in with the State Police Municipal Radio System. Matching funds were made available to the towns by the State Police under the provisions of the Highway Safety Act of 1966. This equipment has proven to be a great asset to the department.

With the increase in dog complains this year the department would appreciate all dog owners keeping their dogs on their own land and not permitting them to run at large making a nuisance and bothering domestic and wild animals. On complaints to this department, found valid, a restraining order will be issued to the dog owner.

All unlicensed dogs found running at large this year will be taken to the SPCA and held for a period of ten days at a cost to the dog owner of two dollars per day. The dog will be disposed of if it has not been reclaimed in this period of time.
